### INTERNATIONAL HOST FAMILIES WANTED

SSRCE are actively recruiting host families for international students for the 2021-22 school year. When you host an international student you might be surprised with how your family grows. Host families will receive financial compensation and are needed for September. If you are interested please visit [www.ssrce.ca/host](http://www.ssrce.ca/host)

### PRIMARY ORIENTATION/SCREENING

Primary Orientation/Screening will not go ahead as per usual year because of COVID. We will be sending home a Primary Handbook with our pre-primaries sometime in April. This booklet will highlight procedures expected and suggestions for getting your child ready for the Primary years and beyond. If at any time you have questions, please feel free to call the school at 902-689-6100.

### NRCS PRE-PRIMARY PROGRAM

The Pre-Primary program is open to children who are 4 years of age by December 31<sup>st</sup> and live in the NRCS catchment area. This program is a play based program taught by trained Early Child Educators. They will use the NS Early Learning Curriculum to deliver the program. The program has an 'open entry'; families are welcome to register their child to attend anytime throughout the year. This is a voluntary program so families may choose to send their child a few days per week or every day. If you have any questions, or are interested in registering your child for the program please feel free to contact the school at 902-689-6100.

### BASKETBALL SEASON

The NRCS Basketball season for Junior High and Elementary has wrapped up for the year. Our elementary and junior high students had a wonderful season of skills based basketball. Of course, none of this is possible without the help of our volunteer coaches. NRCS would like to thank Mr. Wardell and Mrs. Turner for giving up their precious time to provide our students with the opportunity to learn and play basketball.
