- Last Day before Spring Break

Monday, March 22, 2021

- First Day after Spring Break

Friday, March 26, 2021

- Assessment/Evaluation (No School)

COVID-19 Update

We would like to thank our students and staff who are committed to following the Covid protocols and continue to do so in order to keep our school and community safe. We know it isn't easy and school looks and feels much different then it usually does but together we will get through these trying times.

A friendly reminder to everyone to wear your mask, sanitize and keep your distance. Also, please use the Covid-19 checklist to decide whether or not to send your child to school.

AFRICAN HERITAGE MONTH

February is African Heritage Month! Students can explore the many African Nova Scotians who have influenced and enriched our history.

I LOVE TO READ MONTH

February is "I love to read month". We are encouraging students to read at home as much as possible during this month. Please encourage your children to read for enjoyment and to learn new things. Perhaps they might want to read to you or a sibling.

NRCS SCHOOL ADVISORY COUNCIL

NRCS SAC met Thursday and discussed a number of topics including: Covid-19 update, Vacancies, Grade 3-6 Chromebooks, SAC financial requests, Winter Carnival and the possibility of a mascot name change for the school. For detailed minutes please visit our website. The minutes will be posted shortly.

The NRCS School Advisory Council (SAC) is still currently looking for a parent member and a community member. The parent member has to have a child currently attending NRCS to qualify and the community member should not have a child attending NRCS but must reside or work in the school catchment area.

If you are interested or need more information, please contact the school 902-689-6100.

LICE CHECKS

We would like to remind parents to regularly check their child's head for nits and/lice. This is the season we typically see an increase. If you discover that your child has nits and/or lice please let the school know as soon as possible. A child can attend school once an initial treatment is completed. If you need support/information, please feel free to ask us as we can offer support to families in need.
